* **Notice** Information collected may be used for participation surveys, eligibility for approvals, law enforcement (including child support and tax delinquency enforcement) purposes and other secondary purposes. The Department may also provide this information to requesters pursuant to Wisconsin's open records law, ss. 19.31-19.39 stats. Social security numbers are required when applying for a license according to Wisconsin Stats. But they may not be disclosed to anyone except other State of Wisconsin governmental agencies.

Reason for Registration: Pursuant to ss. 101.177 (2) and (3) (a) and 101.178 (2), Stats., unless the person, entity or business holds a credential issued by the department as a registered HVAC contractor, no person, entity or business may engage or offer to engage in the following activities:

- installing heating, ventilating or air conditioning equipment;
- servicing heating, ventilating or air conditioning equipment or systems for facilities or properties not owned by the person or entity; or
- installing or servicing refrigeration equipment that would release or may release ozone-depleting refrigerant or sell for reuse used ozone-depleting refrigerant from refrigeration equipment.

A person, entity or business is not required to hold a credential as a registered HVAC contractor for electrical or plumbing work associated with the installation or servicing of HVAC equipment or systems. Note: Plumbing work associated with the installation or servicing of HVAC equipment or systems may necessitate a plumbing license. Electrical work associated with the installation or servicing of HVAC equipment or systems may necessitate under local ordinance an electrical certification.

Requirements of Credential: For any construction or installation that requires a uniform building permit under s. Comm 20.08, persons, entities, or businesses which hold licenses, certifications, or registrations as identified in Comm 5 may not commence construction or installation until a permit is issued.
